The AAPT/PTRA announces a new Rural Physics Institute in Upstate New York and invites you to a

Physics Workshop for Physics/Science Teachers

at

Colgate University
Hamilton, NY

July 12-16, 2004

★ Covering Kinematics and Dynamics
★ New teaching strategies, inquiry-based, active learning, handouts with teaching materials
★ Hands-on activities and computer controlled laboratories
★ Full funding available for rural school teachers. Includes: travel expenses, housing, meals, and a $250 stipend.
★ Non-rural school teachers may attend at a discounted price - see website for details.
★ Taught by certified classroom teachers from the Physics Teaching Resource Agents (PTRA) of the American Association of Physics Teachers (AAPT); Workshop leader: Steven Henning
★ Sponsored by the National Science Foundation
★ Limited enrollment of 25 participants in order to provide individualized small-group training
★ First-come, first-serve basis; registration deadline May 31, 2004
